| Extra Large - up to 5kg                  | 5kg           | \$30.10                  | \$31.35                            |

<sup>1</sup> While Australia Post endeavours to meet this timetable, the actual delivery speed will depend on where in each state/territory

the item is being posted from/to and the level of restrictions and capacities in the delivery network at the relevant time'

## Ways To Save

With a Pitney Bowes postage meter you can save on your everyday mailing. A postage meter lets you print postage for Domestic letters, parcels, express post and satchels plus International mail and parcels. Send mail and packages directly from your office or mail centre without the need to go to the post office. **[Find out more](#)** about the benefits of using a postage meter and why metering mail is right for your business.
