- ### 2. Client Obligations
- 2.1. Privacy Policies; Permissions. Without limiting the foregoing, Client shall, and (where Client is a Non-Merchant shall cause each Merchant to), obtain and maintain all rights, licenses and other permissions from its or Merchant’s, as applicable, customers necessary for Service Provider to provide the Services.
 - 2.2. Platform Users. Client may allow (a) such number of its employees as it desires to use the Platform, or (b) where Client is a Non-Merchant Client, (i) such number of Merchants, and (ii) such number of the Merchant’s employees as an applicable Merchant desires; provided, however, in each case, as a condition to such use, each user must abide by the usage and other restrictions set forth in Section 3 and any other end-user terms of use which Service Provider may adopt from time to time. As between Client and Service Provider, Client is solely responsible for use of the Platform by any user, (1) utilizing Client’s account, and (2) utilizing a Merchant’s account where Client is a Non-Merchant Client, in each case, whether or not such use is authorized by Client. Client must immediately notify Service Provider of any violation of the restrictions set forth in Section 3 by any user utilizing Client’s account, or a Merchant’s account where applicable, upon becoming actually or constructively aware of such violation, and Client shall be, as between Client and Service Provider, solely and wholly liable for any such violation.

- 2.3. Security and Systems. - 2.5. Cooperation. Without limiting any other obligation in this Section, Client shall reasonably cooperate with Service Provider in all matters relating to the Services, including responding promptly to any request by Service Provider to provide direction, information, approvals, authorizations, access, materials or decisions for purposes of providing the Services.

3. Platform Restrictions and Changes

- 3.1. Prohibited Uses. Client shall not (and where Client is a Non-Merchant, shall cause each Merchant to not), permit any other person to, access or use the Platform except as expressly permitted herein. Without limiting the foregoing, Client shall not (and where Client is a Non-Merchant, shall cause each Merchant to not), permit, direct or encourage any user or other person to, directly or indirectly: (a) in whole or part, reverse engineer (except to the extent permitted by law), decompile, disassemble or otherwise attempt to discover or derive the source code, object code or underlying structure, ideas, know-how or algorithms of the Platform or any software, documentation or data related thereto, (b) modify, translate, or create derivative works based on the Platform, (c) use the Platform for timesharing or service bureau purposes or other computer service to a third party, (d) modify, remove or obstruct any proprietary notices or labels from the

Platform, or (e) use the Platform or Services in any manner to assist or take part in the development, marketing or sale of a product potentially competitive with the Services. For the avoidance of doubt, Service Provider's proprietary processes, patterns, structure, ideas, know-how and algorithms related to the Platform are Service Provider's Confidential Information and subject to [Section 6](#) of the Standard Terms.

3.2. **Prohibited Content.** Client shall not (and where Client is a Non-Merchant, shall cause each Merchant to not) permit, direct or encourage any person to, directly or indirectly, submit to, or process through, the Services or Platform any Client Content that (a) is defamatory, harmful to minors, obscene, indecent, pornographic, libelous, threatening, harassing, false, misleading or inaccurate, (b) contains or causes to be placed on Service Provider's or other third party's systems any Trojan horses, worms, viruses or programming routines intended to interfere, damage, corrupt, surreptitiously intercept or expropriate any system, data or personal information, (c) violates any applicable local, state, federal or foreign law, rule or regulation, including privacy laws and standards and those relating to the marketing, advertisement or sale of goods or services, (d) contains any health, medical, financial or other protected information of any individual or any information of any person under the age of 13, or (e) infringes, misappropriates, dilutes or otherwise violates the Intellectual Property or privacy rights of any person.

3.3. **Changes to Platform.** Service Provider may, in its sole discretion at any time and without notice to Client, make any changes to the Services or Platform it deems necessary or useful to: (a) maintain or enhance the quality, delivery, efficiency, performance, or competitive strength of its services, or (b) comply with applicable law.

4. **Intellectual Property Ownership and Licenses**

4.1. **Ownership.** Client Content shall be considered Client Owned Property and Service Provider Property shall be considered Company Owned Property (as such terms are defined in the Standard Terms). To the extent Client has or acquires any right, title or interest in to or under any Service Provider Property, Client hereby assigns all such right, title and interest, in, to and under such Service Provider Property to Service Provider.

4.2. **Client Content Licenses; Blind Data.** Notwithstanding anything to the contrary contained in the Standard Terms, including [Section 7](#) thereof, Client hereby

grants Service Provider a non-exclusive, worldwide, fully paid-up, royalty free, sub-licensable and transferable: (a) license to reproduce, transmit, distribute, process and otherwise use and exploit Client Content as necessary or useful to perform the Services (including to generate Resulting Data) and to otherwise exercise its rights hereunder, (b) perpetual license to use Client Content to collect, develop, create, extract and otherwise generate statistics and other information, and to compile, synthesize and analyze such data ("**Blind Data**"), (c) perpetual license to use Client Content to the extent necessary for Service Provider to exercise its full rights in Resulting Data, and (d) license to display, distribute and otherwise use Client's name, logos and other identifying marks to identify Client as a customer of Service Provider in compliance with any branding guidelines provided by Client.

4.3. **Resulting Data License.** Service Provider hereby grants Client a non-exclusive license to reproduce, use, display, create derivative works of and otherwise exploit Resulting Data that Service Provider makes available to Client (or a Merchant where Client is a Non-Merchant Client) through the Platform or otherwise in connection with the Services.

4.4. **Integration.** If Client desires for a contractor, vendor or any other third-party to access Service Provider Owned Property in connection with Client's receipt of Services (including in connection with any systems integration), such third-party must agree in writing to be bound by Service Provider's terms and conditions with respect to such access. Nothing herein will be deemed to grant, by implication, estoppel or otherwise, Client any rights to sublicense, share, or otherwise make available Service Provider Owned Property to any third-party, including vendors of Client.

4.5. **Merchant Licenses.** Without limiting any other provision herein, in the Services Agreement, or in the Standard Terms, where Client is a Non-Merchant, Client shall obtain and maintain all rights, licenses and other permissions from Merchants necessary for Client to grant the licenses set forth in these T&Cs.

5. **Termination**

5.1. **For Cause.** Service Provider may terminate provision of the Services immediately on notice to Client, if Client, or where applicable any Merchant, breaches [Section 2.1–2.3, 3.1, 3.2, or 6.1](#) hereof.

5.2. **At Will.** If Service Provider provides the Services at no additional cost to Client, Service Provider may

terminate provision of the Services at any time on notice to Client.

5.3. **Effects of Termination.** Upon expiration or termination of the Services Agreement for any reason Client must (and where Client is a Non-Merchant, must cause each Merchant to) immediately cease all use of and access to the Platform (and Service Provider may disable all Client, and where applicable Merchant, access thereto).

6. **Disclaimers.**

6.1. **Additional Disclaimers.** Without limiting the Services Agreement, Standard Terms or anything contained in these T&Cs, and for the avoidance of doubt: (a) RESULTING DATA IS NOT GUARANTEED TO BE COMPLETE, ACCURATE, OR WITHOUT ERRORS AND CLIENT SHOULD EXERCISE JUDGMENT IN ITS USE THEREOF, (b) SERVICE PROVIDER DOES NOT PROVIDE ANY LEGAL, TAX OR OTHER PROFESSIONAL ADVICE AND CLIENT SHOULD CONSULT WITH ITS PROFESSIONAL ADVISERS TO CONFIRM, INTERPRET, AND APPLY RESULTING DATA—SERVICE PROVIDER HAS NO LIABILITY TO CLIENT FOR CLIENT'S RELIANCE ON RESULTING DATA, AND (c) SERVICE PROVIDER WILL NOT BE RESPONSIBLE OR LIABLE FOR DATA ERRORS THAT ARE THE RESULT OF TRACKING DATA PROVIDED TO SERVICE PROVIDER.

6.2. **Merchant Disclaimers.** Where Client is a Non-Merchant Client, Client shall not make any representation, warranty, or guarantee regarding the functionality, quality, security, or results of the Platform or the Services to Merchant or any of its users.

7. **Indemnification.** Client shall indemnify and hold harmless Service Provider and its affiliated and controlling entities, and its and their directors, employees, officers and agents (each, a "**Service Provider Indemnitee**") from all liabilities, fines, damages, losses, deficiencies, judgments, interest, awards, penalties costs and expenses of whatever kind (including reasonable attorneys' fees and the cost of enforcing any right to indemnification hereunder and the cost of pursuing any insurance providers) and defend the Service Provider Indemnitees against any third party (including any Merchant or any of its customers, Client's customers, or a governmental authority) claim, suit, action or proceeding, in each case, arising out of, resulting from or related to: (a) Client's or any of Client's (or where Client is a Non-Merchant, any Merchant's or any of such Merchant's) customer's employee's, consultant's, vendor's or agent's actual or alleged violation of law in connection with its or their use of the Platform or Services, (b) Client Content (or a Service Provider Indemnitee's use thereof pursuant to

these T&Cs Agreement), actually or allegedly infringing, misappropriating, diluting or otherwise violating any Intellectual Property or privacy right of any person, (c) Client's obligations under or breach of Section 2.1–2.3, 3.1, 3.2, or 6.1 hereof, and (d) for the avoidance of doubt, any Merchant's (or any of its user's) misuse of the Platform, including, without limitation, any failure to obtain any necessary rights, licenses or other permissions for its use thereof.
