

## ParcelPoint™ Smart Lockers

# The smart, convenient and secure way to meet your delivery demands.

Tax Collectors are looking for multiple ways to provide the most efficient services while minimizing foot traffic in their offices. Many in-person transactions can be eliminated through a streamlined, secure, and convenient way to deliver important documents and items to their customers. ParcelPoint Smart Lockers offer the convenience and security of distributing documents, titles, registrations, and tags through a secure delivery and pick-up process.

With preconfigured, customizable, and outdoor locker designs available, we have a solution to fit your specific space, layout, and workflow requirements. ParcelPoint Smart Lockers enable dealers and other customers to retrieve items quickly without having to schedule an in-person appointment. Your staff can benefit from an automated distribution process to free up office space and save time. Each delivery will be tracked and confirmed through a safe, and secure self-service package pick-up process.

### Benefits for recipients:

- Prompt notification of an item ready for pick -up
- Simple access enabled through secure PIN or barcode
- Convenient, contactless anytime access
- Elimination of wait time or appointments to retrieve items and documents

### Benefits for your staff:

- Safe, secure process for the delivery and retrieval of items 24/7
- Extend service hours without adding staff
- Enable contactless delivery points for employees
- Minimize foot traffic in office and focus on in-person appointments
