

Make your distribution process less taxing.

Add efficiency, ensure security and deliver a better experience for taxpayers, car dealerships and your tax office.

Streamline delivery of important items

Car Dealership

Automatic notification sent when items are available for pick-up

Tax office

Accurately track items placed in lockers, who picked them up and when

Minimize foot traffic and improve wait times

Allow time to focus on in-person appointments

Extend service hours without adding staff

Ensure security with unique barcode to access locker

Convenient 24/7 self-service pick-up

Count on ParcelPoint™ Smart Lockers from Pitney Bowes to:

- Streamline the delivery process for important items and documents.
- Increase security and convenience.
- Minimize foot traffic and free staff to focus on other tasks..
- Provide full visibility and accountability for everything you deliver.
